

SupraPlus™

Plantronics SupraPlus™ headset sets new standards in reliability and style in the call centre and office.

SupraPlus is available in monaural and binaural styles, with either a Plantronics unique voice tube or a noise-cancelling microphone, so there is a model to exactly match your personal communication requirements.

SupraPlus works with your existing Plantronics adapter or connects directly using the Polaris version, to give you stylish hands-free working for both traditional and VoIP telephony.

The all day wearing comfort of SupraPlus is unsurpassed. All models are lightweight and feature single cable connection, with monaural versions featuring a re-designed T-pad for natural support on the head.

Listening comfort is assured through a wider frequency response giving a clear, natural sound. This clear natural sound also ensures improved accuracy in your conversations.

SupraPlus is supported by Plantronics 2 year warranty.
