

IT'S THE WORLD'S #1 SELLING HEADSET THANKS TO SUPERIOR SOUND QUALITY AND UNSURPASSED COMFORT

- **Long-Wearing Comfort.** Adjustable headband and soft ear cushion are designed to fit perfectly for all day comfort.
- **Superior Sound Quality.** Supports Call Clarity technology and patented Sound Guard® Plus™ circuitry which makes speech easier to understand and provides OSHA-safe protection.
- **Increased Productivity.** Frees up both hands for completing sales and service jobs— with a proven 43% productivity increase.
- **Ideal in Noisy Environments.** Binaural models offer sound in both ears to buffer background sounds and help you hear your caller.

Slip on the Supra® headset and you'll realize instantly why it's the number one headset all over the world. It's super stable and comfortable thanks to an adjustable headband.

The soft ear cushion helps buffer ambient office noise. And the sound quality is unexcelled— so you can

talk and use the headset all day long without noticing it.

Perfect for reception, customer service, telemarketing and other phone intensive jobs. Available in monaural, binaural, and noise-cancelling models to match the needs of your working environment.

SUPRA HEADSET

*Lightweight,
clear sound—
comfortable all
day long.*

Plantronics introduced the first lightweight telephone headset in 1962 and, since then, has become the world leader in communication headsets. Plantronics is the primary provider of headsets to telephone companies, call centers, telemarketers and businesses throughout the world. The company's products are distributed worldwide through resellers, retail stores and catalogs.

All Plantronics products are manufactured at facilities that meet ISO 9000 Certification Standards and meet or exceed FCC, UL, Industry Canada, and CSA requirements. Plantronics, the logo design, Mirage, SoundGuard, StarSet and Supra are registered trademarks, and Encore, FreeHand, Quick Disconnect, SES, SoundGuard Plus and TriStar are trademarks of Plantronics, Inc.
